Dear Christine:

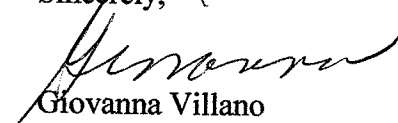

On behalf of the Board Members of Harvest House and the people that are served a hot meal daily. I would like to express sincere thanks for your *generous* donation of large trays of food. Due to the economy we are serving a record number of people. Harvest House is currently serving 50-55 hot meals daily to very grateful people. Thank you for answering our plea for the Feinstejn Challenge. Your donation will help immensely,

In talking to some of the clients they tell us the meal they get at Harvest House Soup Kitchen helps them stretch their budget and the food they get is normally food they could not afford to buy.

It is a community effort and with the *continued support* of people like yourself and others is what keeps Harvest House running.

Harvest House is a 501 © 3 tax-exempt community lunch program therefore your gift is tax deductible.

Sincerely, ☺

  
Giovanna Villano  
Treasurer
